Happy Mother's

Day

Summer is almost here, and your children will be outside a lot. Please bring a Sunscreen for everyone to share, extra cool clothes, towel, sun glasses (if needed) and ALWAYS shoes for your child. (It's no fun for your child, to watch and not play). Although it's not warm enough yet, you might start looking for a bathing suit for the summer.

Birthdays: You are more than welcome to bring cupcakes, cookies or anything for your child for his or her birthdays, per Health law they need to be store bought.

Time Clocks: We are hoping you are all finding it much easier with the Time Clocks; please remember to clock your child In and Out every day please. Also please do not let your child play With or help with the clocking in and out. When a button is pushed to many times it messes up the system. Thanks so much

Paydays: Paydays are Mondays or the first day your child is in care. A fee of 10 a day will be added to your next bill. If you need to make arrangements for a different day please feel free to talk with me.

Also just a friendly reminder for those who drop their children off before 7:30, our fees are based on a 10 hour day. If your child is here more than 10 hours in one day, there will be a 10.00 per occurrence fee charged to your next bill. Please call me if you have questions or concerns about this...

Conferences: We are looking to have a parent teacher conference with everyone. We will be in touch soon to set up a time that would work for everyone.
